

Margaret Mae Sugg (Kovach)
Department of Geography and Planning
Appalachian State University
Rankin Science West 359, Boone, NC 28608
Email: kovachmm@appstate.edu

PROFESSIONAL PREPARATION

Ph.D., 2015 Geography, University of North Carolina at Chapel Hill
M.A., 2011 Geography, University of North Carolina at Chapel Hill
B.S., 2008 Biology, Minors: Chemistry, Geography, University of North Carolina at Chapel Hill

RESEARCH EXPERTISE

Climate and Human Health; Human Vulnerability to Environmental Hazards; Public Health; Geographic Information Systems (GIS); Spatial Statistics

APPOINTMENTS

2015-present **Assistant Professor**, Department of Geography and Planning, Appalachian State University
2014–2015 **Science to Achieve Results Fellow (STAR) for Graduate Environmental Study** in Public Health, Environmental Protection Agency
2009–2014 **Graduate Research Associate**, Southeast Regional Climate Center, University of North Carolina at Chapel Hill
2013–2014 **Graduate Research Assistant**, Carolinas Integrated Sciences and Assessments (CISA), University of South Carolina
2013–2014 **Teaching Fellow**, Department of Geography, University of North Carolina
2012 **Graduate Research Consultant**, University of North Carolina at Chapel Hill
2012 **Geographic Information System Assistant**, University of North Carolina
2010–2011 **Teaching Assistant**, Department of Geography, University of North Carolina
2009 **Climate-Human Health Internship**, National Oceanic and Atmospheric Administration's National Climatic Data Center
2007–2008 **Laboratory Technician**, Department of Psychology, University of North Carolina at Chapel Hill

PEER-REVIEWED PUBLICATIONS (*indicates student publication)

37. Heibati, B., **Sugg, M.M.**, Runkle, J.D., Rytty, N.R., Dominic, F., Prata, D., Rodrigues, W., Jaakola, J. "Weather and the incidence of COVID-19 in a cold climate: A case-crossover study in Finland" *Environmental Research* (Under Review)
36. **Sugg, M.M.**, Andersen L., Shay, E., Tyson, J and Runkle, J., "Climate, Environment, and Public Health in Western North Carolina." *Sustainable Health* (Under Review)

AWARDS

- William C. Strickland Outstanding Junior Faculty Award*, College of Arts and Sciences, Appalachian State University (2019)
- Undergraduate Research Mentorship Excellence Award*, Office of Student Research, Appalachian State University (2019)
- Climate Specialty Group Student Paper Competition*, 1st place, Association of American Geographers, Chicago, IL, (2015)
- Graduate Education Advancement Board Impact Award*, University of North Carolina at Chapel Hill Graduate School, (2015)
- Innovative Use of Geographic Information Systems*, 2nd place, University of North Carolina at Chapel Hill, (2014)
- Graduate Student Mentoring Award*, University of North Carolina at Chapel Hill, Office of Undergraduate Research (2014)
- Best Student Poster Presentation*, 65th Annual Meeting of the Southeastern Division of the AAG. Birmingham, AL., (2010)

GRANTS and FELLOWSHIPS (External)

- American Foundation of Suicide Prevention, Suicide, Suicide Attempts, and Help-Seeking: A Spatiotemporal Analysis of Potential Risk Factors for Identification of Vulnerable Locations and Populations in North Carolina, Co-PI: Dr. Jennifer Runkle and Dr. Kurt Michael **\$100,000** (2020-2022)
- National Hazards Center CONVERGE COVID-19 Working Groups, Appalachian Regional COVID-19 Collaborative **\$1000** (2020). Co-PI: Dr. Jennifer Runkle
- Oak Ridge Associated Universities, Event Grant, "Early Career Faculty Collaboration on Wearable Sensors for Individual Temperature Monitoring in the Southeastern US" **\$4,000** (2020). Co-PI: Dr.

Jennifer Runkle, Dr. Christopher Fuhrmann, Dr. Kelsey Ellis, Dr. Alisa Hass.

North Carolina Occupational Safety and Health Pilot Project, University of North Carolina Gillings School of Public Health, *Continuous Monitoring of Individual Exposure to Cold Work Environments*, Co-PI: Dr. Jennifer Runkle, Laura Thompson, **\$10,000** (2018).

National Institute of Occupational Safety and Health Pilot Project, Sunshine Education and Research Center, *Continuous Monitoring of Individual Exposure to Cold Work Environments*, Co-PI: Dr. Jennifer Runkle, **\$13,497** (2016 –2018).

Oak Ridge Associated Universities, Research and Development Grant, *Developing a Novel Early Warning System Using Individually Experienced Temperature in Outdoor Workers: A Sensor-based Approach*, Co-PI: Dr. Jennifer Runkle, **\$456.66** (2018).

Oak Ridge Associated Universities, Travel Grant, *Pilot Funds for Collaboration at North Carolina State University*, **\$800** (2016).

AAG Research Grant, Association of American Geographers, *A Multiscale Approach to Assessing Heat-Health Vulnerability*. **\$500** (2016).

Grant, Southeast Regional Climate Center (SERCC) and Carolina Integrated Science Assessment (CISA), *Development of Heat-Health Vulnerability Tool*. **\$10,355** (2016).

Science to Achieve Results Fellowships (STAR) for Graduate Environmental Study, Environmental Protection Agency, and Category: Human Health Risk Assessment: Public Health (No. F13D10708), *Identifying Climate Thresholds for Heat-related Illness in North Carolina*. **\$84,000** (2014-2016).

Doctoral Dissertation Research Improvement Grant (DDR), National Science Foundation, and Category: Geography and Spatial Science (No. 1434202), *Identifying Climate Thresholds for Heat-related Illness in North Carolina*, **\$10,603** Co-PI: Dr. Charles E. Konrad (2014 –2015).

North Carolina ArcGIS User Group, Student Scholarship, *Using GIS to Evaluate Tornado Vulnerability*, **\$500** (2012).

GRANTS and FELLOWSHIPS (Internal)

COVID-19 Research Clusters Funding Opportunity, “A spatiotemporal investigation of crisis events among adolescents and young adults following the COVID-19 pandemic in Rural Environments,” **\$4,000** (2020) [Co-PI: Dr. Jennifer Runkle, Dr. Kurt Michael]

Undergraduate Research Assistantship Awards, “Mapping Social Determinants of Health for North Carolina,” Office of Student Research, Appalachian State University, **\$1,000** (Spring 2020).

Faculty Reassigned Time Pilot Program, Office of Research, Appalachian State University, **\$3,000** (Spring 2020).

Conducting Complex Research Together (CONCERT) Grants, “Climate Change and Mental Health,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$5,000** (2020).

SWAG Competition, “A Place-Based Approach to Temperature and Mental Health: Decoupling Social and Environmental Exposures of Mental Health and Well-Being,” Office of Research, Appalachian State University, **\$3500** (2019).

Graduate Research Associate Mentor (GRAM) Program Award, “Southern Appalachian Mountain Vulnerability and Resilience,” Cratis D. Williams School of Graduate Students, Appalachian State University, **\$24,000** (2018 –2020). [Co-PIs: Dr. Elizabeth Shay, Dr. Dempsey]

University Research Council Grant, “Exposure to Thermal Extremes and Seasonal Trends in Hypertensive Complications during Pregnancy: A Retrospective Study of Women in North Carolina,” Office of Research, Appalachian State University, **\$4997.85** (2017 –2018). [Co PI: Dr. Jennifer Runkle]

Undergraduate Research Assistantship Awards, “Using wearable sensor technology to quantify the health effects of cold work environments: A Participatory Sensing Study“, Office of Student Research, Appalachian State University, **\$1,000** (Summer 2018).

Communication Grants, “Vulnerability and Resilience in the Southern Appalachian Mountains,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$3,000** (Summer 2018).

Faculty Reassigned Time Pilot Program, Office of Research, Appalachian State University, **\$3,000** (2018).

Undergraduate Research Assistantship Awards, Using wearable sensor technology to quantify the health effects of cold work environments: A Participatory Sensing Study“, Office of Student Research, Appalachian State University, **\$1,000** (Spring 2018).

Conducting Complex Research Together (CONCERT) Grants, “Vulnerability and Resilience in the Southern Appalachian Mountains,” Appalachian State University’s Research Institute for Environment, Energy, and Economics (RIEEE), **\$5,000** (2018).

Sustaining Collaborative Opportunities for Research & Education (SCORE) Community of Practice Planning Awards, “Hazard Vulnerability Assessment for Nursing Home and Long Term Care Facilities in the Southeastern US,” Appalachian State University’s College of Arts and Sciences, **\$999.00** (2017).

Graduate Research Associate Mentor (GRAM) Program Award, “Hazard Vulnerability Assessment for Nursing Home and Long-Term Care Facilities in the Southeastern US,” Cratis D. Williams School of Graduate Students, Appalachian State University, **\$24,000** (2018 –2020). [Lead PI: Dr. Sandi Lane]

Summer Support, “Hazard Vulnerability Assessment for Nursing Home and Long-Term Care Facilities in the Southeastern US,” Beaver College of Health Sciences, Appalachian State University, **\$5,000** (2017-2018). [Lead PI: Dr. Sandi Lane]

University Research Council Grant, “Hazard Vulnerability Assessment for Nursing Homes in the Southeastern US,” Office of Research, Appalachian State University, **\$3686.04** (2017 –2018). [Lead PI: Dr. Sandi Lane]

Summer Grant, “Continuous Monitoring of Individual Exposure in Thermal Extreme Environments,” Appalachian State University’s College of Arts and Sciences, **\$2500** (2017).

Undergraduate Research Assistantship Awards, “Pregnancy Health and Environmental Monitoring in a Rural Mountain Environment,” Office of Student Research, Appalachian State University, **\$1,000** (2017).

Student and Faculty Excellence Fund (SAFE), “Examining Relationships between Mental Stress and Climatic Extremes,” Appalachian State University’s College of Arts and Sciences, **\$2550** (2017).

Student and Faculty Excellence Fund (SAFE), “Pregnancy Health and Environmental Monitoring in a Rural Mountain Environment,” Appalachian State University’s College of Arts and Sciences, **\$650** (2017).

Conducting Complex Research Together (CONCERT) Grants, "Vulnerability and Resilience in the Southern Appalachian Mountains," Appalachian State University's Research Institute for Environment, Energy, and Economics (RIEEE), **\$4,916** (2017).

Undergraduate Research Assistantship Awards, "Individual Experienced Temperature among Ground Workers at Three Geographic Locations," Office of Student Research, Appalachian State University, **\$1,000** (2016).

University Research Council Grant, "Personal Monitoring of Occupational Heat Exposure: An Environmental Participatory Sensing Study," Office of Research, Appalachian State University, **\$3,394** (2016 –2017).

Graduate Research Associate Mentor (GRAM) Program Award, "Identifying Climate Vulnerability and Community Resilience in the Southern Appalachian Mountains," Cratis D. Williams School of Graduate Students, Appalachian State University, **\$24,000** (2016 –2018).

Conducting Complex Research Together (CONCERT) Grants, "Vulnerability and Resilience in the Southern Appalachian Mountains," Appalachian State University's Research Institute for Environment, Energy, and Economics (RIEEE), **\$5,000** (2016).

Faculty Reassigned Time Pilot Program, Office of Research, Appalachian State University, **\$3,400** (2016).

Dissertation Completion Fellowship, "Climate Thresholds for Heat-Related Illness in North Carolina," University of North Carolina at Chapel Hill Graduate School, **\$16,000** (2015). [Declined for EPA STAR fellowship]

Douglas Eyre Travel Grant, Department of Geography, University of North Carolina at Chapel Hill, **\$1,000** (2010-2011).

Burgess McSwain Travel Award, University of North Carolina at Chapel Hill, **\$1,000** (2008).

GRANTS and FELLOWSHIPS (Not Funded)

National Science Foundation, Geography and Spatial Sciences, *CAREER: A Place-Based Approach to Temperature and Mental Health: Decoupling Social and Temperature Exposures to Mental Health and Well-Being* **\$426,359** (2020 – 2025).

American Foundation of Suicide Prevention, Suicide, Suicide Attempts, and Help-Seeking: A Spatiotemporal Analysis of Potential Risk Factors for Identification of Vulnerable Locations and Populations in North Carolina, Co-PI: Dr. Jennifer Runkle and Dr. Kurt Michael **\$30,000** (2018-2020)

National Institute of Environmental Health Sciences, NIHR3: Investigating the Effect of Ambient Temperature and Associated Hot and Cold Extremes on Mental Health: A Retrospective State-based Analysis (2019-2021) **\$50,000**, Co-PI: Dr. Jennifer Runkle

National Institute of Environmental Health Sciences, NIHR3: Examining Temperature Sensitivity in Severe Maternal Morbidity as a Surveillance Indicator for Climate-Related Health Impacts: An Exploratory Population-based Study (2019-2021) **\$50,000**, Co-PI: Dr. Jennifer Runkle

National Science Foundation, Humans, Disasters, and the Built Environment, *RUI: Assessing Vulnerability of Nursing Home Facilities and their Residents to Extreme Weather Events* Co-PI: Dr. Sandi Lane, **\$217,071** (2019 – 2021).

National Science Foundation, Geography and Spatial Sciences, *RUI: Continuous Monitoring of Individual Heat Exposure for Heat Warnings: A Geo-Sensing Study in Outdoor Workers*, Co-PI: Dr. Jennifer Runkle, **\$199,206** (2019 – 2021).

National Science Foundation, Geography and Spatial Sciences, *RUI: Continuous Monitoring of Individual Exposure to Work in Thermal Extreme Environments: A Participatory Geo-Sensing*, Co-PI: Dr. Jennifer Runkle, **\$228,808** (2018 – 2020).

National Science Foundation, Geography and Spatial Sciences, *RUI: Continuous Monitoring of Individual Exposure to Work in Thermal Extreme Environments: A Participatory Geo-Sensing*, Co-PI: Dr. Jennifer Runkle, **\$260,152** (2017 – 2019).

National Science Foundation, Join NSF/NIH Initiative on Quantitative Approaches to Biomedical Big Data. *QuBBD: Collaborative Research: An Approach for Integrating Wearable-Sensor Based Data in Mathematical Models for Pregnancy Health and Environmental Monitoring* Co-PIs: Dr. Jennifer Runkle, Dr. Jessica Matthews, **\$298,895** (2017 – 2019).

Environmental Protection Agency, Integrating Human Health and Well-Being with Ecosystem Services, *From Collective Knowledge to Action: Water resources, Public Health, and Adaptive Planning in a Rural Mountain Environment*, Co-PIs: Dr. Jennifer Runkle, Dr. Elizabeth Shay, Dr. Kara Dempsey **\$399,787** (2017 –2020).

National Institute of Occupational Health Exploratory and Developmental Grant Program (R21), National Institute of Health, *Personal Monitoring of Occupational Heat Exposure: An Environmental Participatory Sensing Study*, **\$277,410** (2016 –2018). Co-PIs: Dr. Jennifer Runkle, Dr. Christopher Fuhrmann

INVITED TALKS

2020 “Rising Temperatures and its Effects on Humans and Animals” *Environmental Defense Fund*, Webinar

2020 “Climate Change and Your Health” *Asheville Museum of Science Pub Series*, Asheville, NC (canceled for COVID19)

2018 “Continuous Monitoring of Individual Exposure in Thermal Extreme Environments: A Participatory Geo-Sensing Study,” *MPE 2013+ Workshop on Urban Environmental Sustainability in a Smart and Connected World*, University of Georgia.

2017 “Continuous Monitoring of Individual Exposure in Thermal Extreme Environments: A Participatory Geo-Sensing Study,” *Department of Geography and Earth Sciences Seminar Series*, University of North Carolina at Charlotte.

2017 “A Multi-Scale Investigation of Heat-Health Vulnerability” *Department of Geography Colloquium*, University of North Carolina at Greensboro.

2015 “Heat-Health Impacts in North Carolina across the Rural and Urban Continuum,” *Institute for the Environment’s Brown Bag Lunch Seminar*, University of North Carolina at Chapel Hill.

2014 “Heat-Health Vulnerability: Identifying Climate Thresholds for Heat-Related Illness in North Carolina” *Colloquium: Graduate Research Celebration*, University of North Carolina at Chapel Hill.

PAPER PRESENTATIONS (*indicates student presentation)

- Thompson, L.K*, Michael, M., Runkle JD., and **Sugg, MM.** Crisis Text Line Use Following the Release of Netflix Series 13 Reasons Why Season 1: Time Series Analysis of Help-Seeking Behavior in Youth. *52nd American Association of Suicidology.* April 2019
- Cotuna, A.* , Michael, K, Youngstorm, E, Chopin, G., Thompson, L, K. **Sugg, M.M.** Jameson JP, J Hersh "Using Wikiversity to Promote the Science of Suicide Prevention: Helping Give Away Psychological Science (HGAPS)" *52nd American Association of Suicidology.* April 2019

INVITED CAMPUS TALKS

- Sugg, M.M.**, "On-going COVID-19 Research," *Appalachian State University's CAS Summer Zoomers*. July 2020.
- Sugg, M.M.** and Lane, S., "Measures of Emergency Preparedness Contributing to Nursing Home Resilience," *Appalachian State University's SCORE Research Presentations*. September 2018
- Sugg, M.M.** and Lane, S., "Measures of Emergency Preparedness Contributing to Nursing Home Resilience," *Appalachian State University's SCORE Research Presentations*. March 2018
- Sugg, M.M.**, "Climate Change and Public Health," *Appalachian State University's Pre-Health Conference*, Appalachian State University. November 2017.
- Sugg, M.M.**, Sustainability Film Series Panelist, *Appalachian State University*. March 2017
- Sugg, M.M.**, Guest Lecturer for Medical Anthropology, *Appalachian State University* October 2016.
- Sugg, M.M.**, Guest Lecturer for Natural Hazards Seminar, *Appalachian State University* September 2016.
- Sugg, M.M.** and Konrad, C.E., "Predicting Heat-Health Vulnerability Across North Carolina using Heat-Health Vulnerability Tool," *Health-Health Vulnerability Tool Engagement Webinar*, University of North Carolina, Chapel Hill. July 2015
- Kovach, M.M.** and Konrad, C.E., "Relationships between Temperature and Heat-Related Illness across North Carolina," *North Carolina Climate Change-Public Health Workgroup*, Department of Emergency Medicine, University of North Carolina, Chapel Hill. July 2014
- Kovach, M.M.** and Konrad, C.E., "Relationships between Temperature and Heat-Related Illness across North Carolina," *Carolina Integrated Sciences and Assessments (CISA) Webinar*, University of South Carolina, Columbia. June 2014

MENTORING

Graduate Mentoring Experience (Appalachian State University) - Main Advisor

- 2019-2020**, Stella Harden, *Master's Thesis*, Department of Geography and Planning, A Spatiotemporal Analysis of Severe Maternal Morbidity.
- 2018-2019**, Matthew Wilson, *Master's Thesis*, Department of Geography and Planning, Internal and External Validation of Vulnerability Indices: A Case Study of the Multivariate Nursing Home Vulnerability Index
- 2017-2019**, Elizabeth Bailey, *Master's Thesis*, Department of Geography and Planning, Wearable Sensors for Personal Temperature Exposure Assessments: A Comparative Study
- 2017-2018**, Lauren Andersen, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: An Assessment of Wildfire Vulnerability in Western North Carolina

- 2016-2018**, Laura Thompson, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: Adolescents in Crisis: A Spatial Exploration of Mental Distress Using Data from Crisis Text Line
- 2015-2017**, Will Stine, *Master's Internship*, Providing Geographic Support for the Population Division, United States Census Bureau
- 2015-2017**, Garry Raynor, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: Visualizations of Methademyeine across North Carolina
- 2015-2016**, Hayley Thompson, *Master's Internship*, Department of Geography and Planning, Appalachian State University. Title: Utilizing Geographic Information Systems to Digitize and Preserve the Legacy Maps of Dr. Douglas W. Rankin
- 2015-2016**, Anna Ross, *Master's Thesis*, Department of Geography and Planning, Appalachian State University. Title: Recreational Heat-Related Illness: Heat Exposure Outside the Work Week (Main Advisor)

Master Student Committee Member (ASU)

- 2019-2020**, Tatiana Magee
- 2018-2019**, Tania Ita Vagas (Thesis)
- 2017-2018**, Joshua Piercy (Thesis)
- 2017-2018**, Frances Tucker
- 2016-2018**, Zach Osborne
- 2016-2018**, David Vines (Thesis)
- 2015-2016**, Brielle Davidson
- 2015-2016**, James Honeycutt

Undergraduate Mentoring Experience (ASU) - Main Advisor

- 2019-2020**, Jessica Mitchell, *Undergraduate Research Assistant*, Appalachian State University. Title: A Spatial Analysis of Social Determinants of Health in North Carolina
- 2019-2020**, Sarah Woolard, *Undergraduate Research Assistant*, Appalachian State University. Title: A Multi-Scale Analysis of Spatial and Temporal Suicide Patterns in North Carolina, 2000 to 2017
- 2017-2018**, Matt Wilson, *Undergraduate Research Assistant*, Appalachian State University. Title: Multivariate nursing home index for the southeastern US.
- 2017-2018**, Kimberly Nelson, *Undergraduate Research Assistant*, Appalachian State University. Title: Report-backs for cold exposure biomonitoring in an occupational exposed population.
- 2017**, Danielle Boase, *Undergraduate Thesis*, Honors College, Appalachian State University. Title: Wearable sensors for continuous pregnancy health and environmental monitoring: From a patient and provider perspective.

Student Awards

- Stella Harden (2020) - Graduate Student Government Association Travel Award, \$350.
- Stella Harden (2019) - Student and Faculty Excellence Fund, \$300.
- Sarah Woolard (2019) - Student and Faculty Excellence Fund, \$300.
- Matthew Wilson (2019) - Zigli Research Award, \$500.
- Elizabeth Bailey (2019) - Graduate Student Government Association Travel Award, \$500.
- Matthew Wilson (2019) – NC G. Herbert Stout Student Award in GIS
- Elizabeth Bailey (2018)- SEDAAG Honors Competition Finalist

Matthew Wilson (2018)- SEDAAG Honors Competition Finalist
Matthew Wilson (2018) - Southern Gerontology Society (SGS) student poster competition – 1st place
Lauren Andersen (2018) - Cratis Williams Society of Graduate Students
Lauren Andersen (2018) - Graduate Student Poster Award at ASU's Celebration of Student Research and Creative Endeavors
Laura Thompson (2018) - Zigli Research Award, \$300.
Lauren Andersen (2018) - AAG-GTU Travel Award, \$200.
Lauren Andersen (2017) - Student and Faculty Excellence Fund, \$500.
Laura Thompson (2017) - Student and Faculty Excellence Fund, \$300.
Lauren Andersen (2017) - NC G. Herbert Stout Student Award in GIS
Garry Raynor (2017) - NC G. Herbert Stout Student Award in GIS
Laura Thompson (2016) - SEDAAG Honors Competition Finalist

PRODUCT DEVELOPMENT and APPLIED RESEARCH TOOLS

Southeast Regional Climate Center's North Carolina Heat-Health Vulnerability Web Prediction Tool.
Available at: <https://www.sercc.com/hhvt/>

Southeast Regional Climate Center's North Carolina-Disease Event Tracking and Epidemiological Collection Tool. Available at: https://www.sercc.com/nc_detect/ (*restricted access to public health researchers due to limitations of NC-DETECT data use agreement*)

DEPARTMENTAL and UNIVERSITY SERVICE

2017 - Present, Committee Member - Departmental Personnel Committee, ASU
2016 - Present, Committee Member - Graduate Student Committee, ASU
2015 - Present, Committee Member - GIS Curriculum Committee, ASU
2017 - 2020, Committee Member - Masters Comprehensive Exam Committee, ASU
2017 - 2019, Reviewer - Peer Assisted Review Enterprise, ASU
2018-2019, Chair, Masters Comprehensive Exam Committee, ASU
2016-2017, Committee Member - Department Chair Search Committee, ASU
2015-2016, Alternative Committee Member - Departmental Personnel Committee, ASU

PROFESSIONAL DEVELOPMENT

Participant, NIDIS/NOAA Carolinas Drought and Human Health, Asheville, NC 2020 (moved online for COVID19)

Facilitator, Oak Ridge Event, University of Tennessee Knoxville, February, 2020

Facilitator, Health and Safety Workgroup, Southeast Urban Sustainability Summit, August, 2019
Greensboro, NC

Panel Member, Women in STEM: A Panel Discussion, Women in Educational Leadership Symposium,
October 2018, Boone, NC

Participant, Climate and Respiratory Health -Focus Asthma, The Collider, November 2017, Asheville, NC

Participant, Path to Promotion and Tenure, Center for Academic Excellence, Appalachian State
University, March 2017, Boone, NC.

Participant, Geography Faculty Development Alliance, Association of American Geographers, University
of Connecticut, June 2015, Sors, CT

Participant, Introduction to QGIS and Grass, University of North Carolina at Chapel Hill, Odum Institute,
March- April 2015, Chapel Hill, NC

Participant, Mapping with Open Data in R, University of North Carolina at Chapel Hill, Institute for the
Environment, February 2014, Chapel Hill, NC

Participant, A Beginner's Look at Multilevel Analysis Short Course, University of North Carolina at Chapel
Hill, Odum Institute, October – December 2013, Chapel Hill, NC

Participant, Applied Spatial Regression Analysis Short Course, University of North Carolina at Chapel Hill,
Odum Institute, September – October 2013, Chapel Hill, NC

Workshop Assistant, Public Health and Climate Change Summit: Focusing North Carolina Forward,
Research Triangle Environmental Health Collaborative, October, 2013, Raleigh, NC

Participant, Interactive Lecturing, University of North Carolina at Chapel Hill, Center for Faculty
Excellence, August, 2013, Chapel Hill, NC

Participant, Teaching Your First Large Class, University of North Carolina at Chapel Hill, Center for
Faculty Excellence, July, 2013, Chapel Hill, NC

Participant, NCAR/CDC Colloquium on Climate and Health, National Center for Atmospheric Research,
July, 2013, Boulder, CO

Participant, Joint NOAA-CDC Symposium on Climate and Health, Center for Disease Control, September,
2013, Atlanta, GA

Workshop Assistant, NIDIS Carolinas Drought Early Warning System: Supporting Coastal Ecosystem
Management, Carolinas Integrated Sciences & Assessments, July – August 2012, Wilmington, NC

Workshop Assistant, Climate and Public Health: Emerging Risk and Opportunities, Southeast Regional Climate Center, August, 2011, Chapel Hill, NC

Participant, Climate Change Adaptation Workshop, North Carolina Interagency Leadership Team, March, 2010, Raleigh, NC

Participant, 7th Annual One Medicine Symposium, December, 2009, Durham, NC

Workshop Assistant, Climate Change and Human Health: Assessing the Climate Information Gap, National Climatic Data Center, September, 2009, Asheville, NC
