

SASKIA L. VAN DE GEVEL

Department of Geography and Planning
Appalachian State University
Boone, North Carolina 28608, USA

Phone: 828.434.0924
Fax: 828.262.3067
gevelsv@appstate.edu

PROFESSIONAL SUMMARY

Appalachian State University

1. Professor in the Department of Geography and Planning
2. Awarded a Board of Governors Appalachian State University Campus Excellence in Teaching Award and nominated for four other teaching awards
3. Taught over 1,000 students and mentored five graduate research students and five undergraduate research students (published with multiple student authors)
4. Grants Funded: Over \$950,000 dollars as PI or Co-PI (\$450,000 towards K-16 education efforts)

EDUCATION

Ph.D. Geography, The University of Tennessee, Knoxville, Tennessee. 2008.

Dissertation title: *Landscape-level dynamics in an endangered mountain ecosystem in the Northern Rocky Mountains, U.S.A.*

M.S. Forest Ecology, Southern Illinois University, Carbondale, Illinois. 2002.

Thesis title: *The influence of land-use history on the forest development of the Illinois Ozark Hills.*
Study Abroad Course: *Forest Ecology in Ireland National Parks* - June 2001

B.S. Forest Science - Forest Management Specialty, Pennsylvania State University, University Park, Pennsylvania. 2000.

Study Abroad Course: *Forest Management Practices in Bavaria, Germany* - May 1999

TEACHING AND RESEARCH APPOINTMENTS

APPALACHIAN STATE UNIVERSITY – DEPARTMENT OF GEOGRAPHY AND PLANNING

Chair	2020-current
Professor	2019-current
Associate Professor	2017-2019
Assistant Professor	2010-2017
Lecturer	2008-2010

Leadership Roles:

- **Department of Geography and Planning:** Chair of the Department, Facilitated Undergraduate Course Renovation, Chair of the Speaker Series, Chair of the Curriculum Committee, Co-Coordinator of the Department Facebook Page, Graduate Program Committee, Department Program Committee
- **College of Arts and Sciences:** Dean's Advisory Board, Member of the College of Arts and Sciences Council, Environmental Science Program Committee

- **Appalachian State University:** Appalachian Leadership Development Program, At-Large Faculty Senator, Blackburn/Vannoy Farm Committee, Office of Research and Sponsored Programs Website Committee
- **Search Committees:** Chair of the Vice Provost for Faculty Affairs, RIEEE Director, Remote Sensing Assistant Professor, Environmental Science/GIS Geography Assistant Professor, Physical Geography Assistant Professor, Human Geography Assistant Professor, Director of the Environmental Science Program

Courses Developed:

- Global Change of the Biosphere and 10 labs - Ghy 1012
- Ecoregions and Dynamic Landforms and 10 labs - Ghy 3110
- Professional Development in Geography and Planning – Ghy/Pln 4830
- Study Abroad Course - Biogeography of Costa Rica – Ghy 3530
- Study Abroad Course - Biogeography of the Bavarian and Austrian Alps – Ghy 3530
- Graduate Seminar - Grant Writing in Natural Resources – Ghy 5100

Graduate Advisor and Co-Advisor:

- April Kaiser (2019, co-advisor): “Dendroecological investigation of red-cockaded woodpecker cavity tree selection in endangered longleaf pine forests” (published in *Forest Ecology and Management*)
- David Austin (2012, advisor): “Vegetation dynamics of a Carolina hemlock community at Bluff Mountain, North Carolina, U.S.A.” (published in *Botany*)
- Philip White (2010, co-advisor): “Decadal-scale trends in forest succession and climatic sensitivity in a red spruce-Fraser fir forest at Roan Mountain, Pisgah and Cherokee National Forests” (published in *Endangered Species Research* and *Dendrochronologia*)

Professional Development:

National Geographic Society - Geography Steward of North Carolina, 2018-2020.

Invited Presenter in a Webinar on “The Ethics of Gerrymandering,” National Humanities Center, May 16, 2019.

Organized and Chaired the Panel on “Sexual Harassment and Bullying Policies in Academia,” with Dr. Kathleen Schroeder (Appalachian State University), Dr. Lesley Rigg (University of Calgary), Dr. Grant Harley (University of Idaho), Dr. Lesley-Ann Dupigny-Giroux (University of Vermont), Dr. Lorraine Dowler (Penn State University), and Dr. Antoinette WinklerPrins (National Science Foundation). Association of American Geographers (AAG) conference, Washington, D.C. April 3-7, 2019.

Invited Discussant in “Paradigms and Milestones in Geography Education: Looking Back, Looking Forward,” Association of American Geographers (AAG) conference, Washington, D.C. April 3-7, 2019.

BRIDGES, Academic Leadership for Women Program, 2018. A professional development program in higher education for selected female leaders to identify, understand, and build their management roles in the academy, University of North Carolina, Chapel Hill.

Developed and organized the 2018 North Carolina Geographic Alliance - Geo-Inquiry Leadership Institute at the North Carolina Center for Academic Teaching (NCCAT) in Ocracoke, North Carolina. Twenty K-12 geography and library science educators participated in the geo-inquiry institute and it was also attended by Dr. Rob Brown and Dr. Mark Spond (Appalachian State University). June 28-30, 2018.

Invited Panelist on “The Academic Job Market for Geographers: Strategies for Improving Employment Preparation,” and “Career Mentoring,” Association of American Geographers (AAG) conference, New Orleans, Louisiana. April 10-13, 2018

Appalachian Leadership Development Program (ALDP), 2017-2018. The mission of the ALDP is to provide formal assistance and training to a diverse group of selected faculty and staff at Appalachian State University in their exploration and development of leadership capabilities.

Developed and organized the 2017 North Carolina Geographic Alliance - Geo-Inquiry Leadership Institute at the National Humanities Center (NHC) in Durham, North Carolina. Twenty K-12 educators participated in the geo-inquiry institute and it was also attended by Ms. LaTanya Pattillo (Education Advisor to Gov. Roy Cooper), Ms. Holly Loranger (UNC World View), Mr. Andy Mink (VP of Education of NHC), and Dr. Kathleen Schroeder (Chair of Geography and Planning, Appalachian State Univ.). June 28, 2017

Invited Panelist on “The Academic Job Market for Geographers: Strategies for Improving Employment Preparation,” Association of American Geographers (AAG) conference, Boston, Massachusetts. April 5-9, 2017

Invited Panelist on “Barriers and Opportunities for Women in the Geography STEM Subdisciplines,” Association of American Geographers (AAG) conference, Boston, Massachusetts. April 5-9, 2017

Coordinator of the North Carolina Geographic Alliance – funded by The National Geographic Society. The Alliance’s mission is to educate legislators and education decision makers on the state and local levels about the relevance of geography in K-12 education during the 21st Century. 2017-2019

Participant in American Council of Education (ACE) Regional Women’s Leadership Forum, Clemson, South Carolina. October 24-26, 2016

Invited Colloquium Speaker, Department of Geography, University of North Carolina Greensboro, “Exploring multi-century disturbance histories in endangered U.S. tree species.” March 18, 2016

Guest on SciWorks Radio Program on NPR, "An Accurate "Log-ing" of Time."

SciWorks Radio is a production of 88.5 WFDD and SciWorks, the Science Center and Environmental Park of Forsyth County, North Carolina. September 25, 2015

Geography Advisory Board, the Department of Geography at the University of Tennessee. September 2015

Leader of the Bear Paw Cabins Historical Dendroarcheology Workshop (14 participants), funded by the College of Arts and Sciences, Appalachian State University. July 2015

Course Redesign Workshop, Hubbard Center for Faculty Development, Appalachian State University. May 2013

Field Trip Leader, "Biogeography of Craggy Gardens, Blue Ridge Parkway," for Southeastern Division of the Association of American Geographers (SEDAAG) conference, Asheville, North Carolina. 2012

Program Committee for Southeastern Division of the Association of American Geographers (SEDAAG) conference, Asheville, North Carolina. 2012

Invited Colloquium Speaker, Department of Geography, University of North Carolina at Chapel Hill, "Land-Use Legacies and Disturbance Histories of Endangered Mountain Forest Ecosystems in the Eastern United States." September 2012

Program Committee for Southeastern Division of the Association of American Geographers (SEDAAG) conference, Savannah, Georgia. 2011

Invited Speaker, Appalachian Lifelong Learning, Appalachian State University. July 2011

Session Co-Organizer and Co-Chair with Dr. Chris Gentry of the dendroecology paper sessions at the Annual Meeting of the Association of American Geographers. 2010–2011

Faculty Learning Community, Appalachian State University. Selected to participate in Inquiry-Based Learning Discussion and Implementation Group. 2010

Group Leader and Instructor, Stand Dynamics Group, 19th Annual North American Dendroecological Fieldweek, Harvard Forest, Massachusetts. June 4–June 12, 2009

Session Co-Organizer and Co-Chair with Dr. Evan Larson of the whitebark pine paper session at the Annual Meeting of the Association of American Geographers. 2008–2009

*Ph.D. student***Teaching Positions:**

NSF GK-12 Fellow, Department of Geography, University of Tennessee. Funded by the National Science Foundation to improve the teaching of earth science in rural middle schools of east Tennessee (7th and 8th grades). 2006–2008

Instructor, Introduction to Physical Geography Course, University of Tennessee. 2005

Head Graduate Supervisor, Department of Geography, University of Tennessee. Supervised 20 teaching assistants in introductory physical geography course and assisted with laboratory manual revisions. 2004

Coordinator, Geography Awareness Week. An outreach program part of the National Geographic Society through the Tennessee Geographic Alliance which is a non-profit educational organization which helps develop collaboration among college and university geographers, teachers from kindergarten –12th grade, and educational administrators. 2004

Professional Development:

Laboratory Supervisor, “Developing oak chronologies from an Arkansas Wildlife Refuge,” a project funded by the U.S. Department of Justice. 2007

Group Leader and Instructor, Stand Dynamics Group, 17th Annual North American Dendroecological Fieldweek, Great Smoky Mountains Institute at Tremont, Tennessee. June 1–June 9, 2007

Participant, the 6th International Winter School: “Wood Anatomy of Tree Rings” in Davos, Switzerland. Fall 2006

Instructor, Dendrochronology Workshop for Middle and High School Students and Teachers, Earth Science Fair sponsored by the Department of Earth and Planetary Sciences, University of Tennessee. Fall 2005

Group Leader and Instructor, Introductory Group, 15th Annual North American Dendroecological Fieldweek, McCall, Idaho. June 24–July 2, 2005

Museum Docent, for the “Lost Worlds: Discovering Past Environments Exhibit,” Frank H. McClung Museum, the University of Tennessee. 2005

Graduate Researcher, Global Environmental Change Research Group, a project funded by the University of Tennessee. Constructed master tree-ring chronology from whitebark pine (*P. albicaulis*) and led a three-person expedition to examine stand dynamics in western Montana. 2003-2004

Group Leader and Instructor, Climate Reconstruction Group, 14th Annual North American Dendroecological Fieldweek, Itasca State Park, Minnesota. 9–16 July 2004

Participant, Monitoring Whitebark Pine for Blister Rust: A Methods Workshop, Whitebark Pine Ecosystem Foundation, West Yellowstone, Montana. 28–30 June 2004

SOUTHERN ILLINOIS UNIVERSITY - DEPARTMENT OF FORESTRY

2000-2002

M.S. student

Manager and Planner, Prescribed fire and resource management plan of the Marseilles Army National Guard Training Area, funded by the Army National Guard, Illinois. Prepared multi-resource management plans for the 40,000-acre army training area in Marseilles, Illinois. 2002-2003

Graduate Researcher, Forest inventory and ecological analysis of the Illinois Ozark Hills, funded by Trail of Tears State Forest, Illinois Department of Natural Resources. Collected and analyzed forest stand and dendrochronological data, as well as prepared multi-resource management plans. 2000-2002

Leader in Forest Ecology and Conservation, Expanding Your Horizons in Math and Science, Southern Illinois University. Led a conservation hands-on workshop for 7th, 8th, and 9th grade girls to increase their interest in math and science. 2001

Supervisor and Crew Leader, Prescribed Fire Management Team, Southern Illinois University. Trained wildland firefighters on fire behavior and conducted prescribed fire effects research in differing forest fuel types. 2000-2002

Wildland Fire Fighter (S-130) Training and Certification, Carbondale, Illinois. 2000

PENNSYLVANIA STATE UNIVERSITY - SCHOOL OF FOREST RESOURCES

1996-2000

B.S. student

Laboratory Technician, Forest Ecology Laboratory, University Park, Pennsylvania. Published and completed dendrochronological research on hardwood tree species in the eastern United States. 1998-2000

Research Intern, Harvard Forest, Harvard University, Petersham, Massachusetts. Research experience for undergraduates (REU) program in forest ecology at Harvard Forest, a project funded by the National Science Foundation. Studied understory dynamics of eastern hemlock stands in southern Connecticut infested by the hemlock woolly adelgid. 1999

Research Intern, Tall Timbers Research Station, Tallahassee, Florida. Forest Research Program, Tall Timbers Research Station. Analyzed longleaf pine (*Pinus palustris* Mill.) seedling density and vigor data in the Red Hills of northern Florida to quantify success of fire and herbicide treatments. 1998

GRANTS, SCHOLARSHIPS, and TEACHING AWARDS

USDA Higher Education Challenge (HEC) Grant, 2020-2021. *Promoting Professionalism In Remote Fieldwork*. Co-PIs: Dr. Carolyn Copenheaver, Dr. Thomas Coates, Dr. Adam Downing (Virginia Tech). \$30,000.

Nominated for Richard N. Henson Outstanding Advisor Award, 2018-2019. College of Arts and Sciences, Appalachian State University.

Nominated for the Jimmy Smith Outstanding Service Award, 2018-2019. College of Arts and Sciences, Appalachian State University.

National Center for Research in Geography Education (NCGRE) Transformative Research Grant, 2018-2019. *Asking Geographic Questions to Address Political Issues*. Co-PIs: Dr. Rebecca Theobald (University of Colorado, Colorado Springs), Andy Mink (National Humanities Center), and Anita Palmer (GISetc), \$19,444.

National Geographic Society Education Foundation, 2017-2018. Network of Alliances for Geographic Education, North Carolina Geographic Alliance, \$27,500.

Board of Governors Appalachian State University Campus Excellence in Teaching Award, 2017, Appalachian State University, \$1,000.

College of Arts and Sciences Grant for Summer Research 2017, Appalachian State University, \$2,500.

National Geographic Society Education Foundation, 2016-2017. Network of Alliances for Geographic Education, North Carolina Geographic Alliance. Co-PI: Dr. James Young (Appalachian State University), \$27,500.

Finalist for the Academy of Outstanding Teachers, Fall 2016, College of Arts and Sciences, Appalachian State University.

USDA AFRI Grant, 2016-2018. *Forest Resilience to Climate Change: A Dendroclimatic Assessment of Trees with Commercial and Conservation Value*. Co-PIs: Dr. Carolyn Copenheaver (Virginia Tech), Dr. Sophan Chhin (Michigan State University), Dr. Margaret Evans (University of Arizona), Dr. Glenn Juday (University of Alaska Fairbanks), and Dr. Ketia Shumaker (University of West Alabama), \$427,500.

Humanities Scholars Fellowship, 2014-2015. A Dendrochronological Analysis of Legacy Trees at Thomas Jefferson's Poplar Forest, Virginia. Funded by the College of Arts and Sciences, Appalachian State University, **\$1,690**.

Appalachian Women Scientists SEED Grant, 2013-2014. Funded by the Cratis D. Williams Graduate School and Office of Research and Sponsored Programs, Appalachian State University, **\$1,972**.

Historic Preservation Contract, 2013. Using Tree-Ring Samples to Determine Terminus Post Quem Dates for Archaeological Dam Sites in the Chattahoochee River. Southern Research, Historic Preservation Consultants, Inc., 2013. Co-PI: Peter Soulé (Appalachian State University). **\$3,806**.

Historic Preservation Contract, 2012. Tree-Ring Analysis of Industrial Archaeological Sites in the Chattahoochee River. Southern Research, Historic Preservation Consultants, Inc., 2012-2013. Co-PI: Peter Soulé (Appalachian State University). **\$2,617**.

Finalist for the Appalachian Global Leadership Award, Fall 2012, Appalachian State University. The Global Leadership Awards Program is an annual award to recognize students, faculty and staff who have made a significant contribution to advance global learning at Appalachian State University.

Finalist for THE GREAT COURSES to teach a Physical Geography DVD Lecture Series, Spring 2012. The Great Courses brings engaging professors into peoples' homes through college courses on DVD. The Great Courses offers over 425 courses for lifelong learners (<http://www.thegreatcourses.com/>).

Finalist for the Wayne D. Duncan Teaching Award, Spring 2012, Appalachian State University.

Graduate Research Associate Mentoring (GRAM) Award, 2011-2013. Cratis D. Williams Graduate School and Office of Research and Sponsored Programs, Appalachian State University, **\$20,000**.

University Research Council (URC) Grant, 2011-2012. Cratis D. Williams Graduate School and Office of Research and Sponsored Programs, Appalachian State University, **\$2,824**.

USDA Higher Education Challenge (HEC) Grant, 2010-2012. The purpose of the *Ambassadors for Conservation Education (ACE) Program* was to recruit a larger, more diverse student body to natural resource and agricultural communication degree programs. Co-PIs: Dr. Nicholas Fuhrman and Dr. Christian Morgan (University of Georgia) and Dr. Carolyn Copenheaver and Dr. John Seiler (Virginia Tech), **\$364,000**.

Undergraduate Research Assistantships, 2009-2010. Office of Student Research, Appalachian State University, **\$2,000**.

Wachovia Environmental Research Award, 2009. Cratis D. Williams Graduate School and Office of Research and Sponsored Programs, Appalachian State University, **\$500**.

Foundation Fellows Grant, 2009. Hubbard Center for Faculty Development, Appalachian State University. Applying the Scholarship of Teaching and Learning to Mountain Geography Field-Based Courses, **\$5,000**.

The Nature Conservancy, 2009. Forest Stand Dynamics of a Natural Area in the Southern Appalachians, Bluff Mountain, North Carolina, **\$3,000**.

Student Publication Award, 2008. Department of Geography, University of Tennessee.

Professional Development Award, 2008. Department of Geography, University of Tennessee.

Leadership Award, 2007. North American Dendroecological Fieldweek, Great Smoky Mountains National Park at Tremont, Tennessee.

Stewart K. McCroskey Memorial Fund Award, 2006. Department of Geography, University of Tennessee, to support attending the 6th International Winter School: "Wood Anatomy of Tree Rings," in Davos Laret, Switzerland, **\$500**.

Honorable Mention, Student Paper Competition, 2006. International Conference on Dendrochronology, Beijing, China.

Outstanding Teaching Associate Award, 2006. Department of Geography, University of Tennessee.

Student Publication Award, 2006. Department of Geography, University of Tennessee. W.K. McClure Fund for the Study of World Affairs, University of Tennessee, **\$3,000**.

National Science Foundation (NSF) Doctoral Dissertation Research Improvement Grant, 2005. to support field research on whitebark pine communities in the Northern Rocky Mountains, **\$9,998**.

Robert G. Long Outstanding Graduate Student of the Year Award, 2005. Department of Geography, University of Tennessee.

Graduate School Travel Grant, 2005. University of Tennessee, to present at the Whitebark Pine Ecosystem Foundation meeting, Glacier National Park, Montana, **\$400**.

Stewart K. McCroskey Memorial Fund Award, 2003. Department of Geography, University of Tennessee, to support attending the 14th Annual North American Dendroecological Fieldweek, Itasca, Minnesota, and to present at the Whitebark Pine Ecosystem Foundation meeting, Waterton Lakes National Park, Canada **\$900**.

Graduate School Travel Grant, 2003. University of Tennessee, to present at the Annual meeting of the Association of American Geographers, Philadelphia, Pennsylvania, **\$200**.

Outstanding Graduate Teaching Assistant Award, 2003. Department of Geography, University of Tennessee.

Datatel Scholars Foundation, 2002. Southern Illinois University, for academic excellence, **\$1,300**.

Nominated for Outstanding Thesis Award, Southern Illinois University, 2002.

Diversity Scholarship, 2002. Society of American Foresters, to present at the Society of American Foresters Annual meeting, Winston-Salem, North Carolina, \$500.

PRESENTATIONS AT PROFESSIONAL MEETINGS (2015-2020)

April Kaiser, Pete Soulé, **Saskia L. van de Gevel**, Paul Knapp, Arvind Bhuta, and Jeffrey Walters

2019. A dendroecological investigation of red-cockaded woodpecker and longleaf pine cavity trees. Annual Meeting of the Association of American Geographers (AAG) Conference. April 3-7, 2019, Washington, D.C.

Saskia L. van de Gevel, Debra Troxell, and Elizabeth Bailey

2018. Powerful Geography Applications in North Carolina. Powerful Geography Conference. November 1-4, 2018, San Jose, Costa Rica.

Saskia L. van de Gevel, Zachary Osborne, Montana Eck, and Margaret Sugg

2018. The Future of Geographic Inquiry in North Carolina: An Assessment of K-12 Geography Education. National Council of Geographic Education (NCGE) Conference. August 6-10, 2018, Quebec, Canada.

April Kaiser and **Saskia L. van de Gevel**

2018. Comparing whitebark pine radial growth response to climate variables in the Cascades and Sierra Nevada, USA. Annual Meeting of the Association of American Geographers (AAG) Conference. April 10-13, 2018, New Orleans, Louisiana.

Zach Osborne and **Saskia L. van de Gevel**

2018. Geographic Inquiry in North Carolina: An Assessment of Technology in K-12 Geography Education. Annual Meeting of the Association of American Geographers (AAG) Conference. April 10-13, 2018, New Orleans, Louisiana.

David Vines and **Saskia L. van de Gevel**

2018. Exploring Remote Sensing Techniques and GIS to Provide Insight to the Changing Landscape of Thomas Jefferson's Poplar Forest Estate. Annual Meeting of the Association of American Geographers (AAG) Conference. April 10-13, 2018, New Orleans, Louisiana.

Saskia L. van de Gevel and Mark D. Spond

2015. Land-use and environmental legacy at Thomas Jefferson's Poplar Forest, Virginia. Annual Meeting of the Southeastern Division of the Association of American Geographers (SEDAAG), 22-24 November 2015, Pensacola, Florida
